

COMPANY INFORMATION

Priority One Building Services is a dedicated provider of Strata Building Services, with 20 years of specialized experience in this field.

We serve numerous Owner's Corporations and Owner's Corporation Managers across Victoria, Queensland, New South Wales & ACT, offering both emergency after-hours services and comprehensive building maintenance solutions.

Additionally, we collaborate closely with Strata Insurance Companies to ensure a seamless process from emergency response to claims and necessary repairs.

Our professional and approachable administration team expertly navigates the unique challenges of Strata management, always prioritising customer satisfaction.

SERVICES WE OFFER

24 Hour Emergency Call Out Services for Owner's Corporations and Management companies.

We offer a dedicated after-hours phone line, staffed by our call centre.

Upon receiving a call, we respond swiftly, coordinating the appropriate trades to address the emergency and minimize damage. All of our trades are fully licenced and provide a detailed report of the work completed, which we will share with you first thing the following morning.

Maintenance and Building Services Repairs & Quotations for Owner's Corporations and Management companies using fully qualified and licenced Strata Specialist tradespersons for all jobs big and small. Whether you need a Roof Report or Leak Detection, Priority One Building Services can co-ordinate it for you.

Qualified Restoration Services equipped with the latest cutting edge equipment proficient in mould remediation and flood restoration to ensure a healthy safe environment is restored leaving the area clean and mould free.
